18 February 2019

On behalf of Clermont Rodeo & Show Society Inc. I invite you to renew your membership with the Society for 2019. Many people in our region are determined to see the continued growth of local events such as the show, rodeo and campdraft. Because of this, Clermont R&S is always keen to increase its membership base. We encourage you to continue your membership and encourage other family and friends to do the same.

Fees for 2019 have increased to \$22 (Incl. GST) for a single membership and \$44 (Incl. GST) for a family membership. Financial challenges for all R&S events have made this small increase necessary. Single membership entitles one adult admission to the grounds during the annual show, rodeo and campdraft. Family membership entitles admission for the annual show, campdraft and rodeo for two adults and all family members under the age of fifteen years. **Please note correct banking details listed below.** Membership needs to be paid to this specific R&S account.

As members you have the opportunity to be involved with some very motivated, passionate people who are keen to make a difference in their local community. Members receive free entry to all events held by the Rodeo & Show Society throughout the year. The dates for the 2019 events are: **Clermont Rodeo, Saturday, 30th March; Clermont Show, 27th - 29th May; Clermont Gold Cup Campdraft, 13th - 16th June.** Please take note that the Clermont Rodeo is a month earlier than last year. **To receive your membership card in time for the Rodeo, payment will need to be received by the due date, Friday 15th March.**

We urge your continued support and look forward to your participation in our 2019 annual events.

With kind regards,
Amanda Burnett

Acting Secretary - Clermont Rodeo & Show Society Inc.
